

SESSION 02 · NICHE REFERENCE

Transformations

The change you deliver — the “after” your client is actually buying.

Not an exhaustive list — a prompt to spark your own ideas

Leadership Development

Cultivate leadership skills, confidence, and strategic vision.

Financial Literacy

Understand and manage money, budgeting, and investing.

Mindfulness & Meditation

Cultivate present-moment awareness and calm.

Assertiveness

Communicate confidently and hold your ground without aggression.

Conflict Resolution

Navigate and resolve disagreements and disputes.

Emotional Intelligence

Understand, manage, and express emotions effectively.

Personal Branding

Craft and project a compelling personal or professional identity.

Time Management

Organize and prioritize for efficiency and calm.

Physical Fitness & Health

Improve strength, energy, and endurance.

Dietary & Nutritional Guidance

Navigate food choices for health and wellness.

Public Speaking & Presentation

Communicate powerfully to a room.

Creative Expression

Unlock and harness creative potential.

Digital Literacy

Navigate digital platforms and tools with confidence.

Entrepreneurial Skills

Start and grow a business or initiative.

Study & Learning Techniques

Improve retention, comprehension, and performance.

Relationship Building

Foster deeper, more meaningful relationships.

Sales & Marketing Mastery

Sharpen selling and marketing capability.

Cultural Awareness

Navigate diverse environments with understanding.

Spiritual Growth

Explore and deepen spiritual belief and practice.

Sustainability Practices

Adopt eco-friendly lifestyles and habits.

Habit Formation

Build and sustain positive habits.

Resilience & Grit

Cultivate the ability to bounce back from setbacks.

Understand yourself — strengths, values, and direction.

Communication Skills

Improve interpersonal communication.

Parenting Skills

Navigate the challenges of parenting with confidence.

Strategise and move up the ladder.

Productivity

Increase efficiency in work and daily life.

Positive Psychology

Foster happiness, optimism, and well-being.

Lifestyle Design

Design a life aligned with your values, desires, and goals.

Pick three you could deliver passionately. A transformation is the change you take someone **to** — the "after" they are buying. Pair it with an audience to form a niche.
