"I help couples plan retirement together and

“I help military couples navigate deployment and reunion with trust and resilience.”

THE FORMULA — [TRANSFORMATION] FOR [AUDIENCE]

Public Speaking for Executives	Mindful Living for City Dwellers
Mindfulness for Entrepreneurs	Emotional Balance for High-Performance Athletes
Self-Confidence for Teenagers	Emotionally Intelligent Leadership for Tech Managers
Confidence for Mothers Returning to Work	Stress Reduction for Corporate Leaders Facing Burnout
Career Advancement for Women	Goal-Setting for Young Adults Entering the Workforce
Conflict Resolution for Remote Teams	
Personal Growth for Digital Nomads	

Aim for this level of specificity: a clear audience, a clear transformation, in one line. Your worksheet proposition is simply "I help [audience] achieve [transformation]." And notice the lane: every example **designs a better future** — it never treats a problem.
