

SESSION 02 · NICHE REFERENCE

Types of Coaching

The shapes coaching can take. Skim for the kind of change you would love to deliver — then make it yours.

The 3 big domains · Health & Wellbeing · Wealth · Relationships

Career Coaching

Career exploration, job-search strategy, interview preparation, and advancement.

Executive Coaching

Developing leadership skills for executives and senior professionals.

Health & Wellness Coaching

Exercise, nutrition, stress management, and overall well-being.

Relationship Coaching

Building healthy relationships, resolving conflict, deepening connection.

Personal Development Coaching

Discovering strengths, passions, and growth opportunities.

Financial Coaching

Financial goals, budgeting, debt reduction, and wealth building.

Time Management Coaching

Managing time, prioritizing tasks, and better work-life balance.

Goal Setting & Achievement

Setting SMART goals and building action plans to reach them.

Motivation & Confidence Coaching

Boosting self-confidence and the drive to pursue aspirations.

Communication Skills Coaching

Interpersonal communication, public speaking, and assertiveness.

Emotional Intelligence Coaching

Emotional awareness and the ability to navigate emotions well.

Decision-Making Coaching

Making well-informed decisions aligned with values and goals.

Transition & Change Coaching

Navigating major life changes — career shifts, relocation, new chapters.

Spiritual Coaching

Exploring and developing spiritual beliefs and practices.

Creativity Coaching

Expanding creative expression and problem-solving.

Family Coaching

Family dynamics, communication, and resolving conflict.

Parenting Coaching

Effective parenting strategies and communication with children.

Retirement Coaching

Planning for and navigating the transition into retirement.

Fostering happiness, resilience, and well-being.

Assertiveness Coaching

Expressing needs and desires with confidence.

Conflict Resolution Coaching

Managing conflict and resolving disagreements in any context.

Boundary-Setting Coaching

Establishing healthy boundaries in relationships and life.

Life Purpose & Meaning Coaching

Finding purpose and creating a sense of meaning.

Academic & Educational Coaching

Academic success, study skills, and test preparation.

Personal Branding Coaching

Developing and showcasing a personal and professional brand.

Cross-Cultural Coaching

Navigating cross-cultural situations and building awareness.

Productivity Coaching

Overcoming procrastination and reclaiming focus and time.

Building positive habits and breaking detrimental ones.

Mindfulness & Meditation Coaching

Mindfulness and meditation for focus, calm, and clarity.

Performance Coaching

Performing at your best in personal and professional life.

Entrepreneurial Coaching

Startup, growth strategy, and overcoming the founder's challenges.

Team Dynamics Coaching

Collaboration, cohesion, and performance in teams.

Athletic Coaching

Performance, discipline, and motivation in sport and fitness.

Dating & Social Coaching

Building connection, social confidence, and dating dynamics.

Nutrition Coaching

Dietary choices and habits that support health and energy.

Digital Detox Coaching

Reducing screen time and balancing offline and online life.

Not an exhaustive list. These are here to spark your thinking — get moving, then invent your own. And keep every niche in the coaching lane — moving people from **well to better**, never treating a problem.
